"I was laid off and had to take ANY part-time job to help cover our bills. We're struggling to make ends meet and child care is a big expense for our family. We were so relieved to learn that the Y has financial assistance. I really don't know what my family would do without the Y. Not only are the counselors the best, but I really feel like they care about my little girls and our situation. They LISTEN!"

TURN YOUR GIFT INTO...

THEIR HEALTH

Improving the nation's health and well-being is a priority for the Y. At the Y, we help children and adults understand and value their health, and we nurture their well-being. We offer resources and guidance to maintain or improve physical activity, health, and wellness. The Y brings families closer together, encourages good health, and fosters connections through fitness, sports, fun, and shared interests. As a result, youth, adults and families are receiving the support, guidance, and resources needed to achieve greater health and well-being for their spirit, mind, and body.

THEIR POTENTIAL

Because we believe that all kids deserve the opportunity to discover who they are and what they can achieve, the Y is for Youth Development. Through the Y, millions of youth today are cultivating the values, skills, and relationships that lead to positive behaviors, better health, and educational achievement. Y activities like After-School, Karate, Volleyball, Basketball, and Swimming, give our children the opportunity to become confident kids today and healthier, happier grown-ups tomorrow.

THEIR FUTURE

At the Plainfield Y, strengthening the community is our cause. The Y has been listening and responding to our communities' most critical needs for 160 years. Whether developing skills or emotional well-being in our RAP foster care homes, welcoming and supporting diverse populations in our Emergency Housing Program, or advocating for healthier communities through our Wellness Programs, the Y fosters the care and respect all people need and deserve.

Our staff and volunteers are kids, parents, grandparents, neighbors, and local leaders who are all personally committed to understanding what our neighborhoods need. Together, we can build stronger, more inclusive communities, provide support for families, and promote positive change overall.

Financial Assistance keeps the Y available for kids and families who need us most. We count on the generosity of our members and community to help people of all ages and from all walks of life be more healthy, confident, connected and secure. When you give to the Y, your gift will have a meaningful, enduring impact right in your own neighborhood.
